

2010 Club Information

Who are the Quad City Redbirds? The Quad City Redbirds Baseball Club is an organization, formed in 2002, that provides an opportunity for kids to play highly competitive, or known to some as 'travel', baseball. The Redbirds devote their time to the spirit of the game, by teaching baseball fundamentals in an environment that is intense, but fun for the players. We are recognized as a 501c3 non-profit and tax-exempt organization.

Where are the Redbirds from? The Redbirds are based in Davenport. Our players, however, come from all over the Quad City and surrounding areas, including Aledo, Bettendorf, Buffalo, Blue Grass, Davenport, Durant, East Moline, Erie, Joy, LeClaire, Moline, Muscatine, Pleasant Valley, Walcott, and Wilton.

What league do the Redbirds play in and who do they play? Our teams will play in the Mississippi Valley Baseball League, which is an instructional league teaching kids to play with the entire rules of baseball, including leading off and pitching from the stretch. Some of the teams that the Redbirds routinely play are: Barnstormers, Quad City Hitmen, Quad City A's, Quad City Heat, North Scott Lightning, and Muscatine Baseball Academy, among others.

Where are Redbirds games played? In 2008, the Redbirds fields were flooded at Credit Island Park in Davenport, so we moved our league games to WBSA Complex in Rock Island. We hope to return to Credit Island in 2010. The Redbirds have played in many tournaments in the Quad City Area, Cedar Rapids, Chicago, Des Moines, Indianapolis, Kansas City, Omaha, Tennessee, and St. Louis.

What success have the Redbirds had in playing competitive baseball? Over the past 7 seasons, the Redbirds have compiled 52 1st place tournament finishes, 32 2nd place finishes, and several top 4 finishes. Notable performances include: 2nd place at the 2004 9U AAU State Tournament, 3rd place at the 2005 10U USSSA State Tournament and 2005 10U AAYBA World Series, 9U Iowa State Champions in 2006, 11U Iowa State Champions and Nationals Runner-up in 2007, 3rd place 2008 13U USSSA AAA Iowa State Tournament, 11U USSSA AAA Iowa State Champions and 3rd place at USSSA AAA Nationals in 2008, and 10U Iowa State Champions in 2008.

What are the Redbirds goals for 2010? All age groups will compete at the State and National level. As an organization, the Redbirds Club goal is develop the skills of every player and provide the best experience possible for its players, by instilling certain values into each player. These values include character, courage, dedication, and sportsmanship.
